For God so loved the world that he gave his one and only Son so that whoever believes in him will not perish but have eternal life. John 3:16

This year we have been lucky enough to be involved in the **Phase 2 NSW Literacy and Numeracy Action Plan** (Phase 2 Action Plan). This is a cross sectoral initiative designed to improve student outcomes through enhancing capacity of school leaders and their staff. The key elements underpinning the Phase 2 Action Plan in Kindergarten to Year 2 literacy and numeracy include:

- instructional leadership
- diagnostic assessment
- differentiated teaching
- tiered interventions

The Association of Independent Schools is supporting us in this process through an action research approach which aims to develop and embed instructional leadership and professional development for teachers. AIS consultants will continue to assist the school with professional learning opportunities in the areas of diagnostic assessment and personalised learning.

The Action Plan began at the commencement of this year and we will be continuing to develop this over the next four years, implementing this focus in both the Primary and Secondary School to bring about improvements in our teaching and learning for all children.

Through professional development, staff have become familiar with the work of Professor Jo Boaler, a British education author and is Professor of Mathematics Education at the Stanford Graduate School of Education. Professor Boaler is involved in promoting mathematics education reform and equitable mathematics classrooms. As part of her work she has created the website youcubed. Included in the newsletter is a poster from the site which gives ways in which you can encourage your child to have a growth mindset towards mathematics.

---

Mrs Therese Lloyd, Director of Teaching & Learning

**Late for School/Leaving Early** - Students arriving late for school **must be signed in by a parent/carer**. Students are not to sign themselves in or out. If you are unable to attend the office to sign your child in or out, a note must be provided.

**Speed Limit** - We have had several complaints regarding parents exceeding the speed limit on school grounds. Please be aware that the speed limit is 10kph.
TOUCH FOOTBALL – PRIMARY: Good luck to our Primary Boys and Girls Touch Football teams that are travelling to Nelson Bay next Wednesday to compete in the HRIS Gala day. We look forward in hearing of their successes.

TOUCH FOOTBALL – SECONDARY: Both our boys and girls teams played well at the recent HRIS Gala Day. Both teams secured wins in the later part of the day and certainly enjoyed the experience. Thanks to Mr Ferguson and Mr Lawless for coaching these teams.

ACHIEVEMENTS: At MVAC we like to celebrate in the achievements of our students. Some of these achievements happened outside of school sports that we are not aware of. If your child is performing at a regional or over level we would like to celebrate with them. Please feel free to email me with the details.

SUMMER SPORTS: With so many students competing at HRIS level and beyond this year in Swimming, Cross Country and Athletics, I would like to recommend our students get involved in sporting clubs that operate in the area that will assist with the school teams.

Swimming: Local clubs are taking registrations for the upcoming season.

- Taree Torpedoes swim at the Manning Aquatic Centre
  Contact: Kevin McKillop Davies 65533118 email: tareetorpedoes@gmail.com
- Forster Aquatic Swim Club swim at Great Lakes Aquatic Centre
  Contact: Michael Summers 0418653962 email: misummerspl@outlook.com
- Wingham Swim Club swim at the Wingham Swimming Pool
  Contact: winghamswimclub@gmail.com

Cross Country: Both Taree and Forster have Saturday morning Park Runs, which are free of charge and open to competitors of all abilities. Every Saturday at 8am.

  - Taree: Contact: tareeoffice@parkrun.com or website http://www.parkrun.com.au/taree/
  - Forster: Contact forsteroffice@parkrun.com or website http://www.parkrun.com.au/forster/

Athletics: Athletics Clubs operate in Taree, Old Bar Forster, Gloucester and Harrington. To find the closest centre to you search this site: http://www.lansw.com.au/Participate/Find-A-Centre

Mr Andrew Jones, K-12 Sports Co-ordinator

WISE ADVICE FROM OUR KINDERGARTEN CLASS TO KINDERGARTEN 2018 STUDENTS:

What advice would you give the new Kindergarten children.

- Ethan M - Make sure you learn your tricky words like 'the'.
- Lara - It is good to not talk in class.
- Amarni - Make good friends.
- Brooke - Clean up the things you play with.
- Fletcher - Be nice and caring.
- Nathanael - Help by cleaning up the room.
- Samuel - Listen to your teacher and don't be mean.

Mrs Lauren Baker. Kindergarten Teacher
Primary Matters

As Term 4 marches on, the Kindergarten 2018 Orientation program has continued to gather momentum, with these soon-to-be MVAC students this week engaging in some craft activities with Mrs Baker and spending some time with Mrs Sanders to enable us to learn a little bit more about them in order to plan for their time in Kindergarten next year.

Next week will be another busy one for the Primary students, with our K-6 Chapel and Assembly, which will take place this coming Monday, 6 November, commencing at 9:10am in the College hall, kicking off the week. Subsequent to this, the Primary SRC will on Tuesday, make the journey to Bishop Tyrrell Place, hoping to avenge a number of crushing Wii tennis defeats suffered by SRC members last term at the hands of some incredibly determined residents. In addition to this, the Primary touch football teams will travel to Port Stephens to compete in an HRIS gala day on Wednesday, with the week concluding with our Grandparents Day celebration on Friday.

In the coming weeks, our Year 5 students will commence their Primary leadership journey as they prepare and present their school captaincy speeches in class. This will lead to nominated students being selected to present their cases at a formal leadership assembly in the hall during week 7.

As the Year 5 students prepare to stake their claim for Primary leadership roles, the outgoing Year 6 class are counting the days until they suddenly become too cool for primary school! However, until such time, they will be running a Year 6 Cake Stall Fundraiser on Friday, 17 November, and attending their graduation ceremony and celebration on Wednesday, 29 November.

In the coming weeks, our Year 5 students will commence their Primary leadership journey as they prepare and present their school captaincy speeches in class. This will lead to nominated students being selected to present their cases at a formal leadership assembly in the hall during week 7.

However, until such time, they will be running a Year 6 Cake Stall Fundraiser on Friday, 17 November, and attending their graduation ceremony and celebration on Wednesday, 29 November.

Have a magnificent weekend!

Mr Neil MacAulay, Director of Primary

PROJECT BASED LEARNING AT MVAC

Throughout 2017, teachers at MVAC have planned and implemented Project Based Learning Days for students from Kindergarten to Year 10. These days were highly successful with students working in groups to solve the challenge presented.

This program was made possible by a grant from the Association of Independent Schools NSW and included a requirement that we share the results of our program and any resources created.

Alexander Langford, Harrison Thomas and William Thomas along with Mrs Lloyd and Mr Diessel presented this program, the resources, and the work done by students at the AIS NSW DigiSTEM 2017 Conference at UTS in Sydney last week.

The boys setup their display and spoke to the staff and students who attended the conference, explaining the challenges they had to solve and answering any questions posed. They are congratulated for the way they represented the College.

Mrs Lloyd and Mr Diessel presented the program to a workshop group of attendees.

We look forward to running similar days in 2018.

Mr Andrew Diessel, PBL Facilitator
NASC SCHOOLS CELEBRATION DAY

On Wednesday 1st November students in Year 7 spent the day at the annual NASC schools celebration at Christ Church Cathedral in Newcastle. The annual event is designed to bring together students from our sister schools of BTAC, Lakes Grammar and Scone Grammar. Our very own Mr Anderson worked hard in the lead up, with the other school Chaplains, to organise a day of prayer and celebration.

A service was followed by a tour of the historical Cathedral. Students were engrossed in the rich history of Newcastle preserved in the building. It was a wonderful opportunity to be led on tours by members of the schools and local parish. A BBQ lunch was then provided and by the looks of it, thoroughly enjoyed.

A very special thank you to Rev Brian for taking the time to join us on the day and drive us all down on the bus.

Mr Eamonn Lawless, Director of Student Welfare

TEAM PENNING SUCCESS

The College is very proud of the outstanding success of Tegan and Erin Hinshelwood and Paige Fitzalan in the Team Penning event.

This popular horse riding activity involves herding cattle and directing them into an enclosed space whilst racing against the clock. Each team only has two minutes to achieve this complex task.

The Team Penning took place at the Wingham Showground over the 28th and 29th October. Twelve teams contended against each other in what is a very intense and strongly contested event. We congratulate Erin, Tegan and Paige on such an impressive achievement.
CARPE DIEM

Philosophy

Have you ever asked yourself any of these intriguing questions?

- Should you let little things bother you?
- Should you be rewarded for your efforts at school?
- How do you know who your friends are?
- Should you ever tell a lie?
- Are you a fair and just person?
- Do we control technology, or does technology control us?
- Do you perceive things as they are or only as they seem to be?
- Does anything ever happen by chance?
- Should you always listen to the opinions of others?
- If many people believe that something is true, is it true?
- Do two wrongs balance out and make an action right?
- How can you tell when you know something?

These twelve questions have been considered and discussed by the students in the Years 5, 6, 7, 8, 9 and 10 Carpe Diem classes during this Semester. They have argued both sides of each question and have considered what well-known philosophers, such as Marcus Aurelius, Confucius, Aristotle, Immanuel Kant, Plato, Martin Heidegger, Bertrand Russell, and Democritus have said on these issues.

On Tuesday 21 November (Week 7) the Carpe Diem students will “showcase” their understanding of these 12 questions and the thinking of the philosophers. The Carpe Diem Showcase will be held in the MVAC Hall from 5:30pm to 6:30pm. During that time you will be able wander from question to question, engaging in some philosophical discussion with the students (and other parents), and be informed and entertained about some of life’s tricky questions!

Strategy Games from around the World

Whilst Chess is regarded as a classical strategy game, requiring thinking, planning, and attacking whilst defending, there are many ancient games from around the world that engage the players in tactical thinking.

Some of these games are:

- Wari (from Egypt)
- Nine Men's Morris (from Egypt)
- Mancala (from North Africa)
- Awthlaknannai (from U.S.A.)
- Mu-Torere (from New Zealand)
- Fox and Geese (from Norway)
- Alquerque (from Spain)
- Sam Loyd's Game (from U.S.A.)

On Tuesday 21 November (Week 7) the Carpe Diem students in Years 3 and 4 will be teaching you how to play these strategy games during the Carpe Diem Showcase. The 2017 Showcase will be held in the MVAC Hall from 5:30pm to 6:30pm. Please mark this date in your calendar so that you can join with other members of the MVAC Community to learn about these simple, yet challenging games of strategy.

Mr Peter Sanders, Carpe Diem Teacher
**ASSESSMENT TASKS:** Throughout the school year students are required to complete different forms of assessment. As teachers, we need to identify how students are meeting outcomes and some of these outcomes are completed inside and outside of the classroom. In the Secondary School these tasks are compulsory and so are the due dates.

To assist students and parents all tasks are on Student Café and Parent Lounge. Each student receives a paper copy, which they sign for. The task outline goes through what is expected of them, weighting of the task, the desired outcomes, a marking criteria and of course, the due date.

The school is requesting that parents check Parent Lounge and we work together to ensure students are aware when tasks are due for submission. If the task is not submitted on time, the teacher will send an email to the parent.

**UNIFORM:** We have now moved to summer uniforms. We take pride in our uniform and the College has been taking particular care to ensure that all students are wearing our uniform properly. If your child cannot be in the correct uniform, we ask that they bring a note from home, explaining the situation. However, on sports days, if a student is unable to wear the correct sports uniform, then we ask that they wear their dress uniform to school and to get changed later at school.

---

**FORSTER/TUNCURRY PARISH FETE**

The Anglican Parish of Forster/Tuncurry held its annual parish fete at Saint Alban's Church in Forster on Saturday 28 October.

The fete was well attended by MVAC families.

Special thanks go to Amber Billett and Faith Hauser for successfully conducting the face painting stall.

Amber and Faith were ably assisted in this role by Dakoda-Jae McPherson and Cheyenne Johnston and also by Georgia and Matilda McGilvray who modelled Amber’s and Faith’s artistic designs.

The Reverend Mark Harris who is the Rector (i.e. Senior Minister) of the Forster/Tuncurry Parish expressed warm thanks to our students for their participation and assistance at the fete.

*Mr Greg Anderson, Chaplain*

### 3rd Saturday of the Month

- **Fun, Food and Faith**
  - **Location**: Afternoons
  - **Venue**: St Lukes Anglican Coopernook
  - **Teachers**: Mr Anderson and Mrs Bean (Students & Families)
DONATIONS WELCOMED

Saint John’s Anglican Church in Victoria Street, Taree runs an emergency relief service every Wednesday for those who are struggling financially in our local region. If you are able to donate any of the items below to this worthwhile ministry it would be greatly appreciated.

- Tinned Goods
- Toothpaste
- Toiletries
- Canned Goods
- Tooth Brushes
- Long-Life Products

Thank you for your support.

Mr Greg Anderson, Chaplain

P & F MEETING  The next P & F Meeting will be held on Wednesday 15 November at 6.00pm. All parents/carers are welcome to attend.

CANTEEN VOLUNTEERS  The canteen is open Tuesday - Thursday. If you are able to volunteer some time in the canteen, we would be very grateful for any assistance.

AFTERNOON MESSAGES can be given to students immediately after lunch. Please be aware that the school administration area is a very busy time at the end of the school day and it is very difficult to get a message to students who have already departed their classrooms for the day to stand in bus lines or parent pickup. If you need to get a message to your child regarding alternative travel arrangements, please contact the school administration prior to 1.30pm. Thank you for your assistance with this.

FLEXISCHOOLS is the fast, convenient and secure way to order and pay for canteen orders from home or on your mobile. Register for Flexischools or manage your account by visiting www.flexischools.com.au. Once you have submitted your email address an email will be sent to you detailing how to complete your registration.

MVAC ON FACEBOOK Manning Valley Anglican College is on Facebook! Join us at www.facebook.com/mvacollege to enjoy photos, video, news and announcements from the College.

REMINDER: DOWNLOAD THE SKOOLBAG APP  Search ‘MVAC’ on the App Store (iOS devices), Google Play Store (Android Devices) or App Store (Windows Phones) and look for our logo (shown right). Remember to set or update your Year groups to get the most relevant and up-to-date information for parents.
Parents Prayer Group

This is an invitation to parents from MVAC who would like to join us once a month to pray for the school, its staff and students. We will meet on a Monday after chapel at approximately 9:50am at the home of Sandy Robertson 3 Omaru Crescent, Taree, (opposite the Army Barracks, off Muldoon Street).

Date for Term 4:
Monday 20 November 2017

We look forward to seeing you there.
Please contact one of us if you need a lift.

For more information contact:
Kara Ford 0427437478
Sandy Robertson 0424 125 918
Emma Randle 0497 555 659

Positive Norms to Encourage in Maths Class by Jo Boaler

1. Everyone Can Learn Maths to the Highest Levels. Encourage students to believe in themselves. There is no such thing as a "maths" person. Everyone can reach the highest levels they want to, with hard work.

2. Mistakes are Valuable Mistakes grow your brain! It is good to struggle and make mistakes.

3. Questions are Really Important Always ask questions, always answer questions. Ask yourself, why does that make sense?

4. Maths is about Creativity and Making Sense Maths is a creative subject that is, at its core, about visualizing patterns and creating solution paths that others can see, discuss, and critique.

5. Maths is about Connections and Communicating Maths is a connected subject, and a form of communication. Represent maths in different forms eg words, a picture, a graph, an equation, and link them. Color code!

6. Depth is much more Important than Speed Top mathematicians, such as Laurent Schwartz, think slowly and deeply.

7. Maths Class is about Learning not Performing Maths is a growth subject, it takes time to learn and it is all about effort.

Graeme's Gig

Club Old Bar
1 Belford Street, Old Bar 2430
Saturday 11th November
Start 6:00PM - 11:00PM
